

EDUCATION

Seattle University June 2008
Bachelor of the Arts & Sciences

EXPERIENCE

NORDSTROM November 2011 - Current
Contract Digital Production Designer

Assisting in the Nordstrom.com web re-design by creating revised templates, red-line specifications, and slicing for dev. Other projects include updating and maintaining existing templates and assets as well as working on print projects for NordstromRACK.

MICROSOFT October 2011 - November 2011
Contract Designer/Illustrator

Worked with the Branded Entertainment & Experiences Team on creating assets for an interactive web app that allowed users to virtually decorate their home for the holidays. I supplied over 40 graphics in an on- and off-state to be used within the application.

WUNDERMAN: IMPACT June 2011 - November 2011
Graphic Designer (Intern to Contract)

Executed email art, animated banners, and other tactics for various Microsoft campaigns including Office 365 and Xbox 360. Participated in brainstorming sessions and supplied creative tactics for Microsoft O365 and T-Mobile Monthly 4G pitches.

TAPHANGLES July 2010 - April 2011
Graphic Designer

Designer for projects ranging from concept sketching, branding, illustration, and packaging production. Spearheaded the design of annual promotional materials.

SKILLS

Advanced user of Photoshop, Illustrator, InDesign (all CS5)
Basic understanding of HTML and CSS
